

Diamond Girl

I really encourage entering this! Lots of extra stage time & a chance to win another state title! -Molly

Diamond Girl is a separate competition from ODM. It gives you a chance to try out a new talent - use the stage - see how your new party dress or casualwear looks on stage and WIN A STATE TITLE! The judges will not be the same judges as the Diamond Miss judges, therefore, you can use the same party dress and talent number that you're using in the Diamond Miss Competition.

Awards

A Queen in each age division will be crowned with 1st, 2nd, and 3rd runners-up to the Queen determined by the highest total points of all five events. Then 1st and 2nd place trophies for each event in each age division will be awarded if more than 4 contestants in a division. You can enter either Party Dress and/or Talent for on-stage practice for \$25.00 each (not eligible for trophy awards or critique sheets). Enter it all and go for the crown! Overall Diamond Girl goes home with \$200 CASH (if 25 contestants)!

Because we must order special trophies and prizes, if you are entered in Diamond Girl and you withdraw less than two weeks before the pageant or at Registration, you must pay the full Diamond Girl Entry Fee!
